Collaborate with Catholics throughout Florida to help encourage lawmakers to defend all human life and promote the dignity of the most vulnerable in our society. Speak out on behalf of the poor, the disabled, the sick or dying, the unborn, the elderly, families and children, farmworkers, immigrants, the imprisoned, and others in need. By raising our voices together, we strengthen the presence of the Catholic faithful in the political arena.

***“In the Catholic tradition,
responsible citizenship is a virtue;
participation in the political process
is a moral obligation.”***

(Faithful Citizenship: A Catholic Call to Political Responsibility, USCCB, September 2003)
