SPECIAL GUEST SPEAKER: Join Katalin Filtranti on Saturday, Oct. 1st at 10:15am at Our Lady Queen of the Apostles Church as she shares her beautiful story about how the Lord Jesus transformed her life from a slave of sin to a soldier for Christ. Katalin is a mother of two beautiful children and a messenger of the Divine Mercy of the Lord Jesus. In 2018, when her young niece was dying of a sudden illness, Katalin didn't know where else to go, so she turned to God and He heard her prayer. That is when the Flames of Mercy penetrated deep into her inmost being and changed her life forever. Katalin said: "I was begging and weeping and crying to God to please let us at least say goodbye to my niece, and I told God that, in return, I would be good and go to church again and forgive

everyone, but I asked God to take over and to please help me because I didn't know how to do it. At that moment, I felt this intense, sheer force of LOVE enter me and I felt the Lord's presence." Hear Katalin's amazing testimony of the powerful mercy and love of the Lord Jesus in Katalin's life, and how, by the grace of God, she transformed her life and those around her.
