3. Diocese of Palm Beach's Dedication to Prevention of Abuse through Training and Education of Children

The Diocese of Palm Beach is committed to the safety and protection of minors and vulnerable adults in its care. The prevention of child abuse is challenging and requires more than adult awareness, education, and training about the nature and scope of the problem. The "VIRTUS Teaching Safety – Empowering God's Children" program enables the parents, teachers, catechists, and youth ministers to give minors the tools they need to protect themselves from those who might harm them. All children in the Diocese of Palm Beach parishes and schools are instructed semiannually with tools that empower them in personal safety. 4. Diocese of Palm Beach's Commitment to the Protection of Vulnerable Adults:

The Diocese of Palm Beach is committed to the safety and protection of vulnerable adults in its care. Specific training is available for those who work with vulnerable adults (people over the age of 18 years, whose ability to perform normal activities of daily living are impaired due to a mental, emotional, long-term physical or developmental disability, or dysfunction, brain damage, or the infirmities of aging). Visit www.diocesepb.org/safe-environments and click on "Vulnerable Adults" to learn more. All volunteers that work with vulnerable adults are mandated to complete training, but all parishioners are encouraged to participate.
