

# Foundations of Faith Community Nursing

ONLINE BASIC PREPARATION COURSE

Saturdays - May 14, 21<sup>st</sup>, June 4, 11<sup>th</sup> & 18<sup>th</sup>, 2022

## FAITH COMMUNITY NURSING

*is one of the fastest growing specialties recognized by the American Nurses Association and is a **valuable asset** to churches, temples, and faith communities in **promoting whole person health and good stewardship.***

A congregational-based health ministry cares for the body, mind, & spirit and arises from the specific needs of the community. **Faith Community Nurses make a meaningful difference in their congregations and community.**

Developed within an interfaith model, this educational course and personal growth retreat prepares Registered Nurses to deliver whole person care. Provides 30 CEUS and includes materials and certificate of attendance. **Scholarships are available.**

**Participants develop the knowledge necessary for practice, connect with other faith-based nurses, and have an experience of a lifetime!**
